Cable of wire 11/11/11

Letter to Mr. [unclear]

He thought Coffin.

Page [unclear] was
sprung in [unclear]

— buried to destroyed

GSA has coffin

Special letter to [unclear]

Howard M. [unclear]

9/13

I understand from Harold
Reis that this was discussed
by A.G., Schlie & Barcroft
& decision was made to
make no further response
to letter & that destruction
of coffin was not advisable

I suggest it be kept
with Oswald gun &
other Gov's evidence
in secret library
